

# Networking

The opportunity to network and make genuine connections should be approached with a sense of wonder and excitement. People are yearning to make genuine connections, just like you

PETITE<sup>2</sup>  
QUEEN<sup>®</sup>

**W**

Wholehearted genuine interest in others.

**O**

Organically relate by focusing on the other person.

**N**

Nourish the dialogue to learn more.

**D**

Discover commonalities and shared values.

**E**

Encourage and nurture connectivity by staying in touch.

**R**

Replenish and continue building the relationship with relevance.

Networking is an exploration to create authentic bonds with another person and lay the foundation for life-long relationships. Embrace the essence of wonder to lay a path and begin building a bridge when you network.
