ABOUT

Lynn Whitbeck is the Queen of Sales. Business Owners and entrepreneurs hire Lynn to ignite winning sales, because most fail to create consistent, repeatable, and scalable growth. So, Lynn helps sell with intent and ease for maximum impact, influence, and income. Bottomline, sales love it or hate it, you won't survive without it.

Lynn is the creator and host of *Get More Clients* streaming on Amazon Fire, Roku, and Apple TV, and hosts the popular podcast *Claim Your Career Crown*.

Working in the sales and corporate world for 30+ years, Lynn has seen and experienced many challenges for businesses in the workplace. Her virtual live sales programs empower entrepreneurs and educate individuals every day to superior performance and success.

Lynn is a powerhouse expert who brings a wealth of knowledge and an abundance of experience and expertise to a modern online world.

She supports business owners to develop immediate and long-term growth, with sales training, skill expansion, and relationship progression... the ingredients to a successful and profitable sales recipe.

Lynn is a strong voice, a brilliant mind, and a huge heart - perfect for any program interested in developing sales skills and experience to maximize their impact on the working world.

OUR BRAG BOOK

Don't take my word for it - this is what others have to say!

“Lynn and her team do have some superpowers that are hard for people like myself, or for any business, to just be able to think of these things on their own because we're too close to it.

The training and working with Lynn and her team has been so impactful for us.

Josh Elledge
CEO of Up My Influence
